To His Excellency
The High Commissioner,
for Palestine thro' S.D.G.Tulkarem.

Your Excellency

I own a plot of land with olive trees called "Khilla" situated in the village of Deir il Ghussion having an area of 3 dounoms bounded on the South by Ahmed Khalil Mubashir, and Abdulla Ahmed Mubashir; on the East by Youssef il Naissa and on the North by Hussein Ibrahim and on the West by Youssef Hamad. I have been in possession of this plot for a long time and my possession has not been disputed either by the Government or the people.

This year the Government calimed this plot as belonging to the Government Treasury, it being one of the plots of olive lands called el Hamoury and bounded by Mahmoud Mohanna on the South, by Khalil Kaadan on the East, by Kassim Sandouka on the North and by Mohammed Yousef Hamad on the West with an ear of one dounom as registered in the Tabu. There is no other land belonging to the Government in that locality and my own plot is about 10 dounoms away from it. I can prove by personal evidence, its possession by me for a long time long before the Govt.acquired the said Hamoury. The transfer of the said Hamoury in the name of the Govt.was affected in 1332 and I am prepared to establish my right of precription to the land which I own.

Will you please authorise me to raise action against whom it may concern for the recovery of the said plot as in accordance with the Order-in-Council for Palestine.

Subject : Claim to Ard El Hammoury -Deir Ghossen
----- Tulkarem.

Reference: Your L.S. 159/23 of 7.4.23.

Ard El Hammoury was registered in the name of the Treasury in the year 1332. The registration took place in the following circumstances :-

The land was originally registered in the name of Ismail Khalil Sandoukah (Tabou Book of December 1301 No.1105).

Later it was sold to Said Eff. Ibn Abdalla El Omar (Tabou Book of March 1322 , No. 46). The said Book is lost but a Senad confirms the sale as final.

The above transaction in the name of the Treasury from the above Said El Omar was made in view of an attachment from the Turkish Treasury for non payment of tithes.

The only person who could have lodged a claim for redemption of the land was the original registered owner i.e. Said Eff. Abdel Jabar El Omar in whose name the land was registered in the year 1322.

No claim for redemption of this property was made to the Government and the Government is in actual possession of the land leasing it to different tenants. The last tenant was Abdel Jabour El Omar.

To His Excellency The High Comma through the S.D.G.
Tulkeram.

We, the undersigned, have the honour to submit the following:-

Yusuf Naise; Ibrahim Mahmoud; Daoud Meri; and Omer and Mansour Naise our ancestors or legators, had some forty years ago given a piece of land known as Ard'l Hamouri and situate within the lands of our village to Ahmed Kash Koush, so that the said Ahmed may improve it and plant olive trees therein. Twenty five years ago, the said piece of land was equally divided between our legators or ancestors on the part and the said Ahmed Kashkoush on the other part. On the death of Ahmed, his heir Mohd. Ibn Hassan Kash Koush sold the said piece of land the share he inherited from Ahmed Kash Koush - to one Said Omer of Deir Ghouson.

The other half of the said piece of land which belongs to us is bounded as follows:- El Mebashir, and Khader Salah on the south; Dar Sandouka on the north; Ard'l Khazine and Road on the west Khazine on the east.

The above-mentioned Said Omer used to taxes and tithes from the Turkish Govt. and he registered the land he had bought of Mohd. Hassan KashKoush in the Tabu and in the registration he also incorporated our half share of the said land in his name, so that the boundary was made as follows:- Khalil Kaadan on the east. Yusuf Hamad on the west.

Sandouka on the north. Dar Muhinna on the south.
On the failure of Said Omer to pay his debt to the Turkish Government, the said piece of land was forfeited to the Turkish Treasury.

Until recently we were quite ignorant of the fact that the land stood registered in the Tabu in this manner.

We have been in possession of our half share of the said land without dispute either from the buyer or the seller nor from the Turkish Treasury or the British Govt.

But this year the Rev. Department T.Karem leased the said land to one Abdul Jabbar Omer, who instituted an action against us on the grounds of the lease. The land was inspected and it was found out that the land was our right and the result of the action was that the action of Abdul Jabbar against us was adjourned sine die" pending our application to the Land Court,

and Whereas the accused in our proposed action is the Public Prosecutor Nablus, on behalf of the Govt. of Palestine, we ask your Excellency's permission to kindly permit us to institute an action for the recovery of the land before the Land Court, Nablus.

We have the honour,
to be, Your Excellency's
most obedient servants.

Ahmed and Abdul Kader Awlad Yusuf Naise
Said Ibn Daoud Meri and his brother Mustafa
Mahd. Ibn Omer Abu Naise
Hussein Ibn Ibrahim Mahmoud of Deir Ghouson.
